

Merrimack Valley communities, safer and stronger together

Who We Are

The Merrimack Valley Public Health Alliance is a Shared Services Agreement between the communities of Amesbury, Georgetown, Groveland, Merrimac, Newbury, Newburyport, and Rowley.

Mission

The mission of the Merrimack Valley Public Health Alliance is to meet member communities' public health needs through collaboration, public education, and increased efficiency.

Vision

We envision a coalition that efficiently and proactively shares and provides resources to protect and enhance the well-being of all member communities.

Strategic Priorities

Improve public health communication to residents across the region.

Ensure the long-term sustainability of shared public health within our region.

Prioritize high-quality and proactive public health programming and performance among member communities.

Ensure MVPHA's ongoing commitment to health and racial equity.

Areas of Focus

Environmental Health Promoting a healthier environment through water quality, safe and secure housing, and sustainable practices.

Public Health Nursing Population-focused practice that promotes and protects the health of communities through disease prevention, wellness clinics, education and advocacy.

Community Health Providing education and resources to ensure public knowledge of food safety, healthy aging, and emergency preparedness.
